* If you are interested in National Collegiate Athletic Association (NCAA) athletic scholarship eligibility, you **may not** enroll in a Co-Enrolled APEX Program. NCAA is not accepting any credits earned in the Co-Enrolled APEX Program. If you enroll in the Co-Enrolled APEX Program your college acceptance/athletic scholarship may be jeopardized. Students applying for NCAA eligibility must earn credit through a traditional classroom, Broward Virtual School (BVS), Florida Virtual School (FLVS), or through the Broward Community School prescriptive model. **If you are a potential candidate that is seeking eligibility for the NCAA, you will be placed in a traditional book-centric curricular program.** I agree to abide by the Student Code of Conduct while enrolled in Adult Education. My signature certifies that I have discussed this with my counselor and parent, and I intend to enroll in Adult Education.
