### SUMMER 2023 CO-ENROLLED PROGRAM

April 24<sup>th</sup> – August 7<sup>th</sup>

**(OPEN TO ALL STUDENTS 9<sup>TH</sup> – 12<sup>TH</sup>)**

## Welcome to the Summer 2023 Co-Enrolled Program!!!!

### INTRODUCTION

Counselors, are you worried about your students not graduating on time with their class? Do your students need to raise their GPA or make up a credit to receive their high school diploma? Do they need the flexibility to enroll in a course(s)? Help is available for any high school student determined to graduate on time. The Co-Enrolled Program is an excellent choice for your students.

#### Benefits:

- Progress at your own pace
- Improve your GPA
- Graduate with your cohort

### ELIGIBILITY

**For the 2022-23 SY, the students are required to attend classes face-to-face, and are responsible for providing their transportation to class according to their schedule.**

Co-Enrolled classes are available to any high school student currently attending a public or private school in Broward County. Students will have the option to attend classes in the morning, afternoon and/or evening. Classes are offered in the core academic areas: English, Math, Science and Social Studies. To complete graduation requirements, additional credits may be earned providing the following conditions are met:

- ❖ The student must be at risk of not graduating with their 9th grade cohort. The student must be attempting a full load of required credits during the Co-Enrollment period.
- ❖ The student must have written authorization for entrance into each course in the Co-Enrollment program from the home school principal (or designee).
- ❖ The student's credit deficiencies have not resulted from an intentional, willful neglect of studies as determined by the principal (or designee).
- ❖ The student does not have a pattern of excessive absences or habitual truancy or a history of disruptive behavior.
- ❖ The student is limited to two core curricular courses for the 2022-2023 school year. Failure to satisfy the above requirements shall require the home school principal (or designee) to deny acceptance of the education credit earned while enrolled (School Board Policy #4000 formerly 6000.1)

## PROGRAM LENGTH

The program is Open Entry/Open Exit, and is competency-based, thus allowing students to progress at their own pace. A course offered in the Co-Enrolled Program is typically offered four hours a day, Monday - Thursday. Students are encouraged to utilize their free time at home or after scheduled session times to login to their online course platform. This will allow students to complete additional reading assignments and guided notes, helping them to earn a credit/grade towards graduation.
